

PRODUCT DATA SHEET

Sika® Reemat Premium

Glass fibre reinforcement mat

DESCRIPTION

Sika® Reemat Premium is a glass fibre reinforcement mat for use with Sikalastic® Liquid Applied Membrane systems

USES

- Reinforcement for Sikalastic® and SikaRoof® MTC Systems
- Reinforcement for SikaRoof® MTC Detailing
- For roofs with complex geometry and detailing

CHARACTERISTICS / ADVANTAGES

- Easy and quick application
- Easy to adjust to complicated details
- Ensures the correct thickness of the base coat
- Improves crack-bridging properties of the system
- Improves mechanical properties of the system

PRODUCT INFORMATION

Composition	Random glass fibre strand matting	
Packaging	Roll sizes:	
	Length	90 m
	Width	0,3 and 1,25 m
Appearance / Colour	White	
Shelf life	5 years from date of production	
Storage conditions	Product must be stored in original unopened and undamaged packaging in dry conditions and temperatures between +5 °C and +35 °C. Always refer to packaging.	
Mass per area	225 g/m ²	

SYSTEM INFORMATION

System structure

For detailed information regarding system build-ups, refer to the System or Product Data Sheet of the relevant Liquid Applied Membrane

BASIS OF PRODUCT DATA

All technical data stated in this Product Data Sheet are based on laboratory tests. Actual measured data may vary due to circumstances beyond our control.

IMPORTANT CONSIDERATIONS

Refer to the Sika Method Statement of the relevant Liquid Applied Membrane system

ECOLOGY, HEALTH AND SAFETY

REGULATION (EC) NO 1907/2006 - REACH

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not needed to bring the product to the market, to transport or to use it. For safe use follow the instructions given in this product data sheet. Based on our current knowledge, this product does not contain SVHC (substances of very high concern) as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0.1 % (w/w)

APPLICATION INSTRUCTIONS

SUBSTRATE QUALITY

Refer to the Sika Method Statement of the relevant Liquid Applied Membrane system

APPLICATION

Strictly follow installation procedures as defined in method statements, application manuals and working instructions which must always be adjusted to the actual site conditions.

Refer to the Sika Method Statement of the relevant Liquid Applied Membrane system

LOCAL RESTRICTIONS

Please note that as a result of specific local regulations the declared data for this product may vary from country to country. Please consult the local Product Data Sheet for the exact product data.

LEGAL NOTES

Any information or suggestions for use concerning Sika's products, which we either in writing or orally have given buyers or end-users of the product, have been given in good faith based on our own experiences and based on approved praxis and the technological and scientific knowledge on the time of giving such suggestions and information, which are given without any type of guarantees, and which do not lead to any further responsibility from Sika Danmark A/S, besides what is stated in the sales agreement in question. The buyer or end-user should themselves investigate or otherwise make sure, that our products are suitable for the use in question and further make sure that the products are kept and used correct and in agreement with the published rules and considering the actual conditions in order to avoid damages or less satisfactory results. Any order is accepted and any deliverance is affected according to the general terms of sales and delivery from Sika Danmark A/S, which are considered known and accepted, and which could be handed out when asked for. Our catalogues are not up-dated automatically. The present product data sheet is only for use in Denmark. Values stated in the present product data sheet should be seen as recommended, unless stated otherwise.
