# **DECLARATION OF PERFORMANCE**

# Sarnafil<sup>®</sup> G 410-15EL

02 09 05 05 200 0 150000 1003

#### 1. Product Type: Sarnafil<sup>®</sup> G Unique identification code of the product-type: 2. Type batch or serial number or any other G 410-15EL (lot no. see label and product) element allowing identification of the construction product as required under Article 11(4): 3. Intended use or uses of the Multi-layer, synthetic roof waterproofing construction product, in accordance with the sheet based on premium-quality plastic applicable harmonised technical specification, as compound with inlay of glass non-woven foreseen by the manufacturer: according to EN 13956. Roof waterproofing membrane for exposed adhered flat roof systems. Sarnafil® 4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5): Sika Supply Center AG Industriestrasse 26 6060 Sarnen Switzerland 5. Contact Address: Not relevant (see 4) Where applicable, name and contact address of the authorized representative whose mandate covers the tasks specified in Article 12(2): 6. AVCP: System or systems of assessment and System 2+ verification of constancy of performance (AVCP) of the construction product as set out in CPR, Annex V: 7. Notified body (hEN): In case of the declaration of performance (DoP) 1213 Notified factory production control concerning a construction product covered by a harmonised standard: certification body No. 1213, SKZ performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control and issued the certificate of

Performan

claration

conformity of the factory production

control (FPC) 4919.

Roofing Declaration of Performance Edition 02.2013 Identification no. 02 09 05 05 200 0 150000 Version no. 1

## 8. Notified body (ETA):

In case of the declaration of performance concerning a construction product for which a European Technical Assessment (ETA) has been issued:

#### Ecology, Health and Safety Information (REACH)

This product is an article as defined in article 3 of regulation (EC) No 1907/2006 (REACH). It contains no substances which are intended to be released from the article under normal or reasonably foreseeable conditions of use. A safety data sheet following article 31 of the same regulation is not **needed** to bring the product to the market, to transport or to use it. For safe use follow the instructions given in this product data sheet.

Based on our current knowledge, this product does **not contain SVHC (substances of very high concern)** as listed in Annex XIV of the REACH regulation or on the candidate list published by the European Chemicals Agency in concentrations above 0.1 % (w/w).

#### Legal note:

of Performa

claration

This information is given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. In practice, the differences in materials, substrates and actual site conditions are such that no warranty in respect of merchantability or of fitness for a particular purpose, nor any liability arising out of any legal relationship whatsoever, can be inferred either from this information, or from any written recommendations, or from any other advice offered. The user of the product must test the product's suitability for the intended application and purpose. Sika reserves the right to change the properties of its products. The proprietary rights of third parties must be observed. All orders are accepted subject to our current terms of sale and delivery. Users must always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
