

EMISSION CLASSIFICATION OF BUILDING MATERIALS

Oy Sika Finland Ab

The classification working group set up by The Building Information Foundation RTS sr has approved the following product:

SikaForce®-712 L80 (formerly SikaForce-7712 L80)

SikaForce®-712 L35 (formerly SikaForce-7712 L35)

SikaForce®-712 L7 (formerly SikaForce-7712 L7)

as belonging to emission class M1 for building materials.

The classification is valid until 08.12.2025.

Oy Sika Finland Ab has the right to equip its classified products with the classification mark and to use this classification mark when marketing these products.

The decision is in line with the requirements laid down in the Classification of Indoor Climate 2018 and the Classification of Building Materials: General Rules.
