## To Our Customers

### EU TAXONOMI

Farum, December 16<sup>th</sup> 2024

We hereby confirm that, according to our present state of knowledge, the following products

- Sika Accelerator

does not contain substances concerned by following EU Regulations:

- a. Substances listed in Annexes I or II to Regulation (EU) 2019/1021, except in the case of substances present as an unintentional trace contaminant;
- b. mercury and mercury compounds, their mixtures and mercury-added products as defined in Article 2 of Regulation (EU) 2017/852;
- c. substances listed in Annex I or II to Regulation (EC) No 1005/2009;
- d. substances listed in Annex II to Directive 2011/65/EU, except where there is full compliance with Article 4 of that Directive.
- e. substances listed in Annex XVII to Regulation (EC) No 1907/2006, except where there is full compliance with the conditions specified in that Annex;
- f. substances in a concentration above 0,1% weight by weight (w/w), and meeting the criteria laid down in Article 57 of Regulation (EC) No 1907/2006 and that were identified in accordance with Article 59(1) of that Regulation for a period of at least 18 months, except if it is assessed and documented by the operators that no other suitable alternative substances or technologies are available on the market, and that they are used under controlled conditions;
