## LEED

On 30 January 2018, Eurofins Product Testing A/S received a sample of an SMP-based joint sealant with the product name:

### **Sikaflex-111 Stick & Seal**

supplied by

### **Sika Services AG**

The sample was supplied as being representative of the manufactured product, and it has been tested in accordance with the relevant ISO 16000, IAC GOLD and EMICODE testing standards (See test report no. 392-2018-00045301\_A\_EN).

**The test results of the tested product indicate that the product qualifies for LEED v4 specifications on VOC emissions by complying with:**

**VOC emissions specifications in LEED EQ credit "Low-emitting products":**

- the requirements of the EC 1 PLUS grade of EMICODE (version of October 2017) after 28 days
- the requirements of Indoor Air Comfort GOLD version 6.0 (February 2017).
