Subject: Declaration for EU Taxonomy DNSH Principal Requirement

We declare that Sikagard®-Wallcoat N comply with the DNSH criteria. More specifically, in the afore mentioned products are not incorporated:

- Substances, whether on their own, in mixtures or in articles, listed in Annexes I or II to Regulation (EU) 2019 /1021 of the European Parliament and of the Council.
- Mercury and mercury compounds, their mixtures and mercury-added products as defined in Article 2 of Regulation (EU) 2017 /852 of the European Parliament and of the Council.
- Substances, whether on their own, in mixture or in articles, listed in Annexes I or II to Regulation (EC) No 1005/2009 of the European Parliament and of the Council.
- Substances, whether on their own, in mixtures or in articles listed in Annex II to Directive 2011/65/EU of the European Parliament and of the Council.
- Substances, whether on their own, in mixtures or in article, listed in Annex XVII to Regulation (EC) 1907 /2006 of the European Parliament and of the Council, except where there is full compliance with the conditions specified in that Annex;

- Substances in a concentration > 0,1%, whether on their own, in mixtures or in an article, meeting the criteria laid down in Article 57 of Regulation (EC) 1907 /2006 and identified in accordance with Article 59(1) of that Regulation for a period of at least eighteen months, except if it is assessed and documented by the operators that no other suitable alternative substances or technologies are available on the market, and that they are used under controlled conditions.

In addition, the activity does not lead to the manufacture, presence in the final product or output, or placing on the market, of other substances, whether on their own, or in mixtures or in an article, in a concentration above 0,1% weight by weight (w/w), that meet the criteria of Regulation (EC) No 1272/2008 for one of the hazard classes or hazard categories mentioned in Article 57 of Regulation (EC) No 1907/2006, except if it is assessed and documented by the operators that no other suitable alternative substances or technologies are available on the market, and that they are used under controlled conditions.

The information contained herein are given in good faith based on Sika's current knowledge and experience of the products when properly stored, handled and applied under normal conditions in accordance with Sika's recommendations. The information only applies to the application(s) and product(s) expressly referred to herein. In case of changes in the parameters of the application, such as changes in substrates etc., or in case of a different application, consult Sika's Technical Service prior to using Sika products. The information contained herein does not relieve the user of the products from testing them for the intended application and purpose. All orders are accepted subject to our current terms of sale and delivery. Users should always refer to the most recent issue of the local Product Data Sheet for the product concerned, copies of which will be supplied on request.
